Dear Member

ANNUAL GENERAL MEETING

I'm sorry to report that since last year's AGM, no progress has been made in recruiting new members of the committee which at present is composed of:

Gerry Moss	-	Chairman
Peter George	-	Treasurer and Membership Secretary
Mike Nicholson- Florence	-	Webmaster, School Link and Bursary Officer
Nick Ridley	-	Newsletter Editor (lives abroad)
Michael Jarvis	-	Committee member

Sheila Sandford stepped down from the Committee at last year's AGM but despite many personal challenges has continued to work tirelessly to hold the Association together. We have also had assistance from an informal think tank, David Mountain, John Campbell and Diana Trayler.

Under item 8 of the Agenda we will be discussing in what form, if any, the Association can continue. The remaining nub of the Committee cannot maintain the level of service previously enjoyed by the membership hence, as you will already be aware, the Reunion Lunch has been discontinued and we will need to consider the frequency of Newsletters and website maintenance.

If you haven't already informed Sheila of your intention to attend the AGM could you please let her know as soon as possible, so we can cater for teas and coffees upon arrival. The Headteacher, David Blow has kindly agreed to conduct a tour of the school and again please let Sheila know, if you haven't already, should you wish to take part
A list of possible places to have a private lunch afterwards with your friends can also be provided upon request.

Hope to see you at the AGM

With best wishes,

Peter George
